TEN CENTS PER WEEK

MEN SELECTED BY THEIR PRECINCTS FOR CONVENTION

Names of Delegates Who Will Choose Democratic Candidate for Senator.

Eaton and Barry Lead in Respective Counties.

CARLISLE AND BALLARD OPEN.

Following are the delegates from McCracken county to the Democratic senatorial convention here tomorrow: Berry's, Frank Smith; Gallman's, W. N. Warren or the Rev. J. R. Clark; Henneberger's, Pat Lally; Schmidt's, Herman Katterjohn; Butler's, L. R. Barnes; South Side Fire Station, Jim Lally; Chalk's, George Augustus; Diegel's, Frank Eaker; Kirkpatrick's, Harry George; North Side Court House, Gardner Gilbert; South Side Court House, No. 1, Ernest Lackey; Glauber's, Alex Patten; South Side Court House, No. 2, S. G. Rudolph; Warehouse, J. S. Summers; Roger's, Luther Graham; Yancy's, Miles Stewart; Savages, A. E. Boyd; Plow Factory, Mr. Howell; Florence Station, Tom Houser; Hovercamp, Ben Hovercamp; Parish, Dr. E. B. Willingham; Melber, Riley Huddleston; Massac, Mark Jones; Maxon Mills, A. W. Rickman; Milan, Evans Jett; Grahamville, John Graham; Woodville, Baxter Kuykendall; Cecil, Brown Pace; Lang's, Morton Adcock; Rossington, M. B. Tapp; Ragland, Will Covington; Hendren, John Youngers; Lamont, Ed Kelly; Reidland, S. C. Brookshire; New Hope, H. C. Rudolph.

Ballard county delegates as far as reported are: Lovelaceville, B. S. Davis; Barlow, J. W. Gholson; La Center, W. D. Hines; Bandana, V. A. Crice; Oscar, Dallas Moore; Hinkleville, Dr. J. D. Rollings; Gage, Dr. W. A. Ashbrook; Blandville, Lee Ray; Ogden, Thomas McGee; Slater, Dr. T. J. Davis; South Wickliffe, Henry Reeves; East Wickliffe, W. A. Anderson; West Wickliffe, John Cox; Needmore and Hazlewood (missing); Moore carried Oscar, Bandana, La Center, Hinkleville and Ogden, and one precinct of Wickliffe. Barry carried one precinct of Wickliffe, Lovelaceville, Gage, Blandville, one precinct of Wickliffe, Barlow and Slater, Needmore and Hazlewood are uninstructed, according to the best information. Barry's friends claim he has second instructions in all but two Ballard precincts. Eaton says he will get most of them on the break.

Marshall County. The Marshall county delegates are: Ross, W. M. Rudolph; Heights, K. Wolfe; Birmingham, George Smith; Brinsburg, B. Hastings; Gilbertsville, Tom Gregory; Calvert City, L. S. Dees; North Benton, R. L. Shemwell; Oak Level (missing); Hardin, Tom Miller; Harvey, H. Perry; South Benton, J. E. Fisher; Elva, Tom Hill; Little Cypress, M. Holland; Olive, L. Padgett; Stanton, W. R. Fields. Stanton and Gilbertsville are uninstructed and supposed to be for Wyatt; Olive and Brinsburg instructed for Wyatt. The others are for Barry.

Carlisle County. Carlisle county delegates are: West Bardwell, Ed Elsey; East Bardwell, W. O. Willingham; North Bardwell, W. C. Ray; Arlington, L. B. Owen; Berkley, J. C. Ford; Kirbyton, W. E. Gholson; Milburn, J. A. Graves; Cunningham, J. W. Ward; Rudd, John Shepherd. West Bardwell instructed for John Davis. Berkley and Kirbyton instructed for Barry. The others are uninstructed, but it is contended that all but one of them are for Barry.

Jackson Streets Win. The Jackson streets won two well played games yesterday on the railroad diamond. The game in the morning was with the Pipefitters, and the Jackson streets captured it by a score of 9 to 3. The batteries were: Jackson Streets—Fuller and Beck; Pipefitters—Dickerson and Watson.

In the afternoon the Jackson Streets played the Pluffy Ruffles team and won by a score of 6 to 3. A feature of the game was the pitching of Switzer. The batteries were: Jackson Streets—Switzer and Fuller; Pluffy Ruffles—Simpson and Shaw.

Up in Balloon All Night.

Washington, April 26.—The great all-night balloon story turns out to be "thrillingly" funny. After giving government officials a bad scare and keeping their concerned relatives up all night, the three army aeronauts, Lieutenants Lahm, Foulers and Bamberger, of the signal corps, turned up safe and sound. They had been "missing" all night. Three hours of that time the sky navigators were in the air.

Uninstructed Delegates Will be Deciding Factor in Democratic Senatorial Convention Tomorrow

Both Barry and Eaton Claim to Have Enough to Win on First Ballot; But Neither Has Instructions.

Uninstructed delegates to the second district Democratic senatorial convention at Wallace park Casino Tuesday afternoon at 1:30 o'clock will determine the result of the balloting for a senatorial nominee. No candidate has enough instructed delegates to win, and the contest lies between W. V. Eaton, attorney of this city, and Hon. E. Barry, editor of the Benton Tribune-Democrat, an avowed advocate of the county unit law.

Under the rule, which allows one delegate for each of the 75 precincts in the district, who will cast as many votes in the convention as the Democratic electors received last fall in his precinct, Eaton will start with 2,823 instructed votes from McCracken county, with 4,861 necessary to choose. He expects to pick up enough uninstructed votes from the two western counties, Carlisle and Ballard to win on the first ballot.

Barry will have 336 from Carlisle, 968 from McCracken and 1,322 from Marshall; but Barry makes the startling claim that his friends selected every uninstructed delegate from Carlisle county with a total of 1,034 votes; and that he has second instructions in nearly every precinct in Ballard county.

His friends stated that he heard from all the precincts and was given the names of the uninstructed delegates, and that in every instance except the West Bardwell precinct of

"DOC" POWERS DIES. Philadelphia, April 26.—Surrounded by his wife and three children, "Doc" Powers, star backstop of the Athletics, died at Northwestern Hospital here today. He was carried from the field after the opening game of the Athletics. Powers was operated on for what was diagnosed to be gangrene poisoning of the intestines.

Carlisle county, the men he and his friends picked out were selected and they will stand by him.

The contest in McCracken was sharp, especially in the county. In the city, where W. V. Eaton is best known, the people stood by him loyally and he carried every precinct, excepting the Plow factory, which went for Barry, and Gallman's, where there is a contest between the Eaton and Barry factions. In the county Barry captured Melber, Massac, Maxon Mills, Woodville, Thompson's, New Hope, Rossington, Hendren's, Lamont and Reidland. Wyatt got first instructions at Florence Station, and Moore at Milan. The anti-saloons league is responsible for Barry's showing in the county.

Barry's Claims. Barry claims the following instructed delegates: Carlisle—Kirbyton, 131; Berkley, 255—386.

Ballard—West Wickliffe, 110. McCracken—Plow Factory, 46; Gallman's, 168; Melber, 22; Massac, 114; Maxon Mills, 77; Woodville,

Attorney General Coming.

Louisville, April 26. (Special)—R. A. McDowell, secretary of the Kentucky Bar association, received a letter from Attorney General Wickersham, accepting an invitation to speak at the meeting of the bar association at Paducah, July 7.

Attorney Dennis Mocquot received word this morning.

REPORT RECEIVED AT WASHINGTON THAT JAPS ARE INVADING PANAMA CANAL ZONE

This is Reason For Trip of Secretary of War to Investigate.

Washington, April 26.—It was learned today that one of the chief subjects to be investigated by Secretary Dickinson during the present trip to Panama is a report, reaching the war department that the Canal zone is being colonized by Japanese.

The republic of Colombia is said to be responsible for bringing them to the zone and American diplomatic officials have been directed to make representations to the Colombian government that the United States regards this as an act of unfriendliness.

WEATHER.

Partly cloudy tonight, possibly showers and cooler by Tuesday night. Highest temperature yesterday, 73; lowest today, 57.

HARRIMAN PLANS GREATEST MERGER RAILROAD LINES

Consolidate Vast Mileage Represented by New York Central Lines.

Has Twelve Thousand Miles of Track.

IS A BILLION DOLLAR DEAL.

New York, April 26.—A billion-dollar corporation is the latest project from the brain of E. H. Harriman planned by the Napoleon of the railroad world with a view of consolidating and solidifying the vast railroad mileage represented by the New York Central lines. A dozen or more of the most eminent corporation lawyers in this city, in Chicago, Cincinnati, Cleveland and Buffalo are now working on the problem. The following are the main lines of road which will be embraced in the consolidation:

New York Central and Hudson River railroad.

Fulton Chain railway.

Dunkirk, Allegheny Valley and Pittsburgh railroad.

Little Falls and Dolgeville railroad.

Raquette Lake railway.

Rutland railway.

Toronto, Hamilton and Buffalo railway.

Lake Shore and Michigan Southern railway.

Cleveland, Cincinnati, Chicago and St. Louis system.

Lake Erie, Alliance and Wheeling railroad.

Chicago, Indiana and Southern railroad.

Lake Erie and Western railroad and Northern Ohio railway.

Pittsburg and Lake Erie railroad.

Michigan Central railroad and Canada Southern railway.

Chicago, Kalamazoo and Saginaw railway.

Indiana Harbor Belt railroad.

West Shore railroad and Detroit and Charlevoix railroad.

What It Figures.

St. Louis, Mo., April 26.—Harriman's billion dollar railway in figures:

MISSING GIRL BELIEVED TO BE HIDDEN IN BOSTON.

Boston, April 26.—Adele, the missing daughter of Arthur E. Boas, a wealthy New York thread manufacturer, for whose recovery a reward of \$5,000 is offered, is believed to be in Boston. A girl in a Charlestown restaurant until Sunday suddenly vanished. The police are searching today.

Hot Airs Win.

"The Hot Air" baseball team proved more effective to the umpire than the "Live Wires" yesterday morning in the baseball game, and the employees of the Paducah Gas company won the game by a score of 7 to 4. One of the agreements for the game was that the captain of the losing team was to be presented with a ducking in the lake in Wallace park. Owing to the water being chilly the ceremony was postponed yesterday until July 4. The "Live Wires" team is composed of employees of the Paducah Light & Power company, and the rivalry between the two teams is so strong that another game will be played in a month. The batteries were: "Hot Air"—Mount and Reyburn; "Live Wires"—Frogge and McDonald.

Bulger Trial

Wickliffe, Ky., April 26. (Special.)—When the jury in the case of John Bulger, charged with the Bandana bank robbery, reported this morning that the jurors could not agree, the judge ordered them to return and said he would keep them a week if they did not agree sooner.

Yildiz Kiosk Surrenders; Sultan Prisoner in Hands of Young Turks and Only Family Remain in Palace

Court Martial Ordered For Troops Who Rebel Against Constitution—Bosphorus is Guarded.

Constantinople, April 26.—The national assembly postponed its decision in regard to the fate of the sultan, who is still a prisoner in Yildiz Kiosk.

Constantinople, April 26.—Grand Vizier Tewfik Pasha today handed the parliament the resignation of himself and cabinet. Sheik Ulislam has prepared a religious decree, approving of the deposition of the sultan, which will legalize any action parliament may make. Rehad Effendi, the sultan's brother, may be declared ruler any hour.

Executing Spies. Constantinople, April 26.—Parties of soldiers with a list of names of recognized leaders of the revolutionaries are ransacking the city in search of guilty ones. All suspects are arrested and arraigned before impromptu courts usually held in front of cafes and either discharged or sentenced to prison. Several were shot for resisting. Nearly a hundred spies, deserters from Young Turks' ranks, were executed.

Court Martial for Rebels. Salonica, April 26.—Young Turks established a court martial for all participants in the revolt against the Constitutionalists. Train loads of prisoners are expected to arrive from the capital. The general impression is common that soldiers who participated in the revolt will be dismissed from the army, but the officers will be shot. An unconfirmed report has it that between 20 and 30 revolt leaders were executed at Constantinople yesterday.

City Is at Peace. New York, April 26.—Ambassador John Leishman telegraphed from Constantinople that Americans there are in no apparent danger nor have been since the fighting started, although there always was danger of stray bullets. There is no need to fear, as the forces in control are pledged that all property will be respected, and the forces seem to be under such control that the orders of the officers will be obeyed.

Prevent Sultan's Flight. Constantinople, April 26.—Besides the sultan, his harem and sons are the only ones to remain in the palace except the necessary servants and European officials. Every precaution is being taken to prevent the sultan's escape into Asia Minor. Young Turks are patrolling every foot of the Bosphorus to prevent his flight.

Yildiz Surrenders.

Constantinople, April 26.—The Yildiz garrison surrendered Sunday to the constitutional forces. The commanders of these battalions began sending their submissions to Mahmud Scheffet Pasha last night, and all the troops protecting the palace gave formal unconditional surrender shortly after dawn. Naci Bey, who was called the hero of the July revolution, is now in command of the garrison.

Sultan Abdul Hamid has been permitted to remain within the Yildiz Kiosk, where, with his ministers, he waited for the outcome of the struggle.

GEORGE WALTERS SUES TO TRANSFER THE SINKING FUND

George Walters, city treasurer, filed suit against J. J. Dorian, former city treasurer, the Citizens Savings bank, Richard Rudy, F. M. Fisher, J. A. Rudy and W. F. Paxton to force the defendants to pay over \$44,790.36 with interest since November 18, 1908. The money is the sinking fund and the treasurer seeks to force the bank to turn the money over to him. The money was deposited in the city treasury by the sinking fund commission, composed of the mayor and presidents of the general council boards. The money was deposited, as it was apportioned, at four per cent interest, certificates of deposit for one year being issued. None of it accrues before August. The treasurer wishes to deposit the money in the City National bank. The city is not interested in the suit. Hendrick & Corbett are the attorneys for Mr. Walters. Mr. Dorian had nothing to do with the transaction, further than collecting the money and disposing of it as the sinking fund commissioners directed.

MRS. CABANNE'S PLEA.

San Francisco, April 26.—I am heartbroken. Please don't give baby up. I must have him or I will go crazy," was a telegram received today by Brough-ton Brandenburg from his wife in New York. As the result he abandoned his intention of surrendering the Cabanne boy to attorneys, representing the father, who is en route here.

gle between the hostile troops and the army of investment, each hour bringing him word of fresh disaster. It is stated that since the victory rested with the Constitutionalists that the sultan himself ordered the men not to resist.

The troops within the capital certainly had made a stubborn resistance at all points, and the losses on both sides are exceedingly heavy for the length of time the engagement was in progress.

In Asiatic Turkey.

Latakia, Asiatic Turkey, April 26.—The French cruiser, Jules Ferry, arrived today and immediately landed a force of sailors to assist in protecting Christians. The situation throughout the whole of Asiatic Turkey is increasingly serious. Today as the result of the complete defeat of the sultan, orders were issued to every foreign vessel in the Mediterranean to land every available man and bombard towns if rioting continues.

Dispatches reaching here from Asiatic Turkey report that there are Armenian-Turkish conflicts all over the country. Dr. J. M. Balph, in charge of the missions at Latakia, Syria, telegraphs that refugees report massacres and burning of towns. He also reports that there is the gravest apprehension concerning the conditions at Kessaba, where Miss Effie Chambers is one of the missionaries. The senate and deputies meeting at San Stefano adopted a resolution requesting the government imperatively to stop the disorders and to punish the leaders. The need of the Armenians in the Adana district is the greatest.

Christians Suffer Much.

Ambassador Leishman transmitted the following message to the American board of commissioners of foreign missions at Boston, from W. J. Peet, treasurer of the mission board here: "Hapless outbreaks at Adana; native Christians are suffering much loss of life and property. Their district is in flames; fifteen thousand are destitute. Thousands of dollars required daily. They have bread alone; lack of medical supplies. The four emergency hospitals are already overcrowded. Two large orphanages are required at once. The government cannot meet the present needs. Relief committees have begun work, but funds are needed."

Estimate 2,000 Killed.

London, April 26.—The Standard's Constantinople correspondent estimates that 2,000 were killed in the fighting at Constantinople with the forces heaviest on the Constitutionalists who offered good targets while the attacking Mollahs and Sofas, fearing the vengeance of the people, hid in the mosques where many were caught and killed.

The Daily Telegraph's Vienna correspondent sends a report that the sultan was taken from the palace late last night and Mohammed Reshad Effendi was installed in his place.

Killed in Church

Madrid, April 26.—Nine were killed and 25 hurt when the roof of the cathedral at Torbes collapsed today while mass was being celebrated.

Night Rider Trials

Waverly, Tenn., April 26.—Trial of 26 of the 40 men indicted, charged with night rider crimes, began this morning. A venire of 500 is present.

Harlan Seeks Honors

Denver, April 26.—A justice of the United States will be moderator of the Presbyterian general assembly if Justice Harlan has his way. The report is printed today here that Harlan is determined to be a candidate. He will attend the assembly next month and push his candidacy.

Hains Case

Flushing, L. I., April 26.—When the trial of Captain Hains opened today seven seats in the jury box were filled. The panel of 190 men was present. The defense has not adopted a definite plan of action yet.

ODD FELLOWS GO TO METROPOLIS TO CELEBRATION

Big Parade and Speeches and Refreshments at Massac County Seat.

Ohio River Association Organized Today.

LOCAL LODGES TAKE A HAND.

Metropolis, Ill., April 26. (Special.)—Several thousand Odd Fellows and their friends are celebrating the ninetieth anniversary of the Independent Order of Odd Fellows today. The weather was ideal for the celebration, and the large crowd spent an enjoyable day. Early this morning Metropolis received the visitors, while the Odd Fellows continued to arrive all day, as the boats made frequent trips. Many hundred came from Paducah, as the steamer Cowling made many trips.

After a morning of handshaking and story telling the Odd Fellows and the daughters of Rebekahs met at the Odd Fellows' temple and formed a procession, which was headed by the Metropolis concert band. The procession marched over the following route: From the Temple building on Third street to Metropolis street, and thence to Seventh street. West on Seventh street to upper Market street; south on Market street to Fifth street to Ferry street; south on Ferry street to Fourth street, and then to Franklin park.

At the park this afternoon Senator D. W. Helm and County School Superintendent W. A. Spence delivered appropriate addresses concerning the benefits of the lodge of Odd Fellows. From the park the Odd Fellows returned to the Odd Fellows' Temple, where, beginning at 4 o'clock degree work was exemplified. Beginning tonight at 8 o'clock degree work will be exemplified by a staff, which will be chosen from the Metropolis lodges.

Past Grand S. Bartlett Kerr was marshal of the day, and he was assisted by the following committee: D. A. Bailey, John Simpson, A. Rehmeyer, William Kelly, Mark Kennedy and J. A. Jones.

At 11 o'clock this morning the delegates from each lodge on the Ohio river met at the Odd Fellows' Temple for the purpose of taking steps for the organization of the Ohio River Association of Odd Fellows.

Many at La Center.

La Center, Ky., April 26. (Special.)—Fully 2,500 people, among who are 60 delegates representing lodges in western Kentucky, are here today, celebrating the anniversary of the order. The Rev. Mr. McCaslin is the principal speaker, but Hon. E. Barry and John M. Moore, candidates for state senator, are the most interesting figures on the grounds.

Rough Auto Rider

St. Louis, April 26.—Frank Frantz, friend of Roosevelt, officer and rough rider, and former territorial governor of Oklahoma, was arrested here early Sunday morning after a quarrel with a woman in an automobile. He was released on bond on a charge of disturbing the peace. Later he was dismissed by the police chief.

MORE SUITS WILL BE BROUGHT FOR BLACK PATCH WAR

More damage suits will be filed in federal court by property owners, who suffered damage by fires as the result of the raids on Hopkinsville and Princeton by the night riders. Several suits for damages against alleged night riders of Caldwell, Lyon and Trigg counties will be filed at Owensboro in a few days as the result of the damage to property by fire. Tom Datillo, an Italian, will file suit against about 80 defendants for \$3,250 for the burning of his confectionery. The suit will be filed at Owensboro because Christian county is in that circuit of federal court. Datillo is an alien and will not have to leave the state in order to get his suit into the federal court.

Some of the property owners of Princeton will file suits in Paducah, and it is said some alleged night riders, who have been mentioned in the other damage suits will be made defendants.

Suppose This Had Been You!

RIDING in an ambulance is no fun. Suffering in bed for weeks is still less. The doctor's and druggist's bills add mental anxiety to the bodily suffering. And your income is cut off on account of your inability to work!

That's a bad tangle—but the Maryland Casualty Company will unravel it. We can't prevent bodily pain, but we can ease your mind of its worry.

Our Disability policy furnishes an income when you are unable to work, and keeps your mind free from care when you are well. It's a sure dependence.

Tomorrow may bring accident or illness to you. Prepare for it today. Let us talk it over and show you a sample policy.

LLOYD'S INDIANS WIN THEIR GAME

Defeat Brookport Team at League Park.

Manage to Shut Out Visitors and Roll Up Score of Fifteen.

RUNYAN WAS ON THE SLAB

Lloyd's Indians won from the Brookport team yesterday afternoon in a walk, and when the din of battle was over the score was 15 to 0, the whitewash being in favor of Brookport. Paducah bagged the honors and ran off with them, and some plays of merit were pulled off. The practice which the players have held was evident in their work yesterday, for when a score was needed the Indians did not hesitate to make it.

Runyan was on the slab for the Indians, and his arm was right, and the blond twirler had speed with a good assortment of curves. His drop broke right, and the Illinois boys hit the air time after time in an effort to connect with it. Lee Hart, a southpaw, whose name is not a stranger in Paducah lineups, twirled for Brookport and he pitched a good game, but his support was not equal to Runyan's, and he lost what should have been a close game. Brookport was weakened in the first inning by Steele, the catcher, fracturing his right thumb while diving for a low ball. Eskew, the right fielder, finished the game behind the bat, and did creditable work for an outfielder.

In the first inning Paducah scored two runs. Cooper hit to right garden but was out going to second. Mercer followed and got a ticket to first, while Brahe was hit by a ball, and two runners were on the sack. Lloyd straightened out a curve for two sacks and the two runners trotted home. Block went out Hart to Corn, while Murray struck out and the scoring was ended. In the second Goodman worked his way around the diamond and scored. With a lead of three runs it was increased until it was 15.

Runyan pitched himself out of a tight hole in the third inning, when it looked inevitable for Brookport to fail to score. Hart walked, while both Johnson and Shaw hit balls to the outfield, and the sacks were full with no outs. Runyan settled down, and struck out two men while Goodman made a pretty run after a high foul, and the danger was past.

The game was full of hits. Lloyd and Cooper, both old leaguers, secured four safeties apiece, while Hart for the visitors, smacked out a three bagger. Every man on the Paducah team got a hit.

The lineups were: Paducah—Block, c; Runyan, p; Lloyd, 1b; Brahe, 2b; Cooper, 3b; R. Mercer, ss; Goodman, lf; Murray, cf; McCauley, rf. Brookport—Steele and Eskew, c; Hart, p; Corn, 1b; Woodward, 2b; Johnson, ss; Blair, 3b; Rush, lf; Shaw, cf, and Johnson and Steele, rf.

Diamond Dust.
Chief Lloyd is dickering for two games next Saturday and Sunday at Henderson, and the probabilities are that the team will make the trip. It will be the first trip this season, and all of the players are anxious to go. The new suits will be received by next Sunday, and the team will not look like a crazy quilt anymore.

Murray made a pretty catch in the seventh inning when after a long run he grabbed the sphere while going at full tilt. It was a surprise to Murray's friends that he should be so active.

Block did stellar work behind the bat yesterday, and his right arm was too strong for any Brookport man to purloin second sack much less third station. In addition to his good work Block got two nice hits.

In the third inning Goodman stole second and third bases, but failed to score on account of three outs before he could slide over home station. Steele is a good little catcher, and the fans regretted to see him injured, as a closer game might have been had the regular catcher been behind the mask.

In the absence of Robertson, the regular shortstop, R. Mercer, played the position, and did some fast work in stopping grounders and slamming them over to first.

PEACE IN COAL MINES SURE.

Philadelphia, April 26.—Peace in anthracite coal region is assured for another three years.

President Thomas L. Lewis, of the United Mine Workers of America, who with the three district presidents had been in conference with a subcommittee of the operators in this city during the last two days, made a positive announcement last night that a new working agreement would be signed before the end of next week. This contract will be based upon a proposition which has been submitted by the operators and which, in the opinion of Mr. Lewis and his colleagues, contains a number of important concessions.

American Gentleman

A Popular Spring Style

HERE'S a faithful illustration of one of the most comfortable of all the comfortable AMERICAN GENTLEMAN Oxfords.

It has all those striking points of correct styling and perfect fit which make other shoe builders envious and which have made the AMERICAN GENTLEMAN the most popular shoe in America.

This particular model is shown in patent, gun metal, vici, in all the newer shades of tan and oxblood. Sells for

\$3, \$3.50 and \$4

You're invited to call and see them—and try them on.

UNINSTRUCTED

(Continued from page one.)

105; Cecil, 97; New Hope, 85; Rossington, 109; Hendren, 133; Lamont, 66; Reidland, 103—1,125.

Marshall—Ross, 89; Birmingham, 158; Hardin, 180; Harvey, 114; Gilbertsville, 124; Heights, 87; Elva, 56; North Benton, 172; Oak Level, 101; Calvert City, 132; S. Benton, 118—1,322.

In addition, he says that the men, he and his friends selected in Carlisle county were elected in the following precincts: North Bardwell, 170; East Bardwell, 205; Berkley, 255; Milburn, 181; Kirbyton, 121; Rudd, 131; Cunningham, 221; Arlington, 181—1,611.

He declares he will eventually get the votes of the following precincts in Ballard: East Wickliffe, 178; Slater, 161; Lovelaceville, 87; Gage, 90; Ingleside, 167; Hinkleville, 164; La Center, 143; Bandana, 133; Needmore, 164; Hazelwood, 92; Barlow, 240—1,619.

This would give him a total of 5-

789 or 4,674 on first ballot.

Eaton's Claims.

Eaton says Barry is too optimistic over Carlisle county and that only four precincts were won by Barry and that he will get the majority of them. He expects to get the best of it in Ballard on the break.

According to figures given out in Paducah the vote stands:

McC. Mar. Bal. Car. Total
E. 2,823 83 2,909
B. 957 1,204 110 386 2,775
M. 112 1,357 1,469
W. 69 647 716
Un. 118 566 1,239 2,309

Where More Comes In.
John M. Moore, of Ballard, will prove a factor in the race if he can handle the 1,357 votes said to be instructed for him in his own county. But Barry's friends claim many second instructions for him in that county, and Eaton's friends believe Moore cannot deliver the vote of his county if he withdraws. Eaton's friends also are sanguine that the bitterness of the fight in Marshall will make it certain that none of Wyatt's votes will go to Barry.

It seems there is no doubt that in view of Barry's county unit issue the fight will be waged to defeat him at

all odds, and this makes possible a dark horse in case his election appears otherwise inevitable after the first ballot.

The possibility that some delegates may split their votes adds piquancy to the outlook.

The convention will be called to order at 1:30 o'clock by Chairman W. J. Bradshaw, Jr.

The counties will have the following vote: McCracken, 36 delegates, 4,127 votes; Marshall, 15 delegates, 1,851 votes; Ballard, 15 delegates, 2,117 votes; Carlisle, 9 delegates, 1,721 votes.

ARE YOU DEAF?

WHY LET YOUR FRIENDS SUFFER?

Your friends are more sensitive about your deafness than you, yourself, so why should you impose on them?
You probably know that a telephone operator's hearing is the most acute. This is due to the fact that the electrical vibrations act upon the ear drums in such a manner as to produce a very keen sense of sound—such is the principle of

THE ELECTROPHONE.
It is a tiny, electric telephone that fits on the ear, and which, the instant it is applied, magnifies the sound waves in such a manner as to cause an astonishing increase in the clearness of all sounds. It overcomes the buzzing and roaring ear noises, and also so constantly and electrically exercises the nerves and vital parts of the ear that usually the natural, unaided hearing itself is gradually restored to perfect condition.

IF YOU CAN STILL HEAR THUNDER.

WE CAN MAKE YOU HEAR ORDINARY CONVERSATION.

Daily Thought.

Good morals and bad religion never go together.

Who knows, but what Sunday's surrender marks the end of Mohammedanism?

A big oil plant burned at Baltimore Saturday. We trust the one in the heart of Paducah will not catch again.

Don't waste your ammunition, Beckham made about all that could be made out of the Goebel case, politically.

Texas cleaned up \$1,898,754 in cold cash by punishing the Waters-Pierce Oil company for violating the anti-monopoly law. It may become fashionable.

Somehow, just at this stage of the game we cannot induce the News-Democrat to come right out and say that anyone, who participates in a party primary, is in honor bound to support the whole ticket nominated, even though he may have gone to the primary for the purpose of saving his party and his city from the bad men, who are nominated. After the primary, never fear, we will hear that doctrine preached in all its fullness.

The esteemed News-Democrat in the hurry of editorial comment on passing events did Governor Willson an injustice yesterday by quoting from his explanation of the pardon of former Governor Taylor, "The only evidence in all of the four trials of Powers and the three trials of Howard by which the prosecution in any way attempted to connect Governor Taylor with the murder, was the testimony as to his writing to get Howard to come to Frankfort and kill William Goebel, tending to show that Howard, on the request of that letter, did come to Frankfort and entered into the plot and committed the murder", without continuing the quotation, which went on to say: "But Howard did not kill Goebel and Governor Willson could not be guilty of getting Howard to do what he did not do."

We cannot believe that the News-Democrat would deliberately do such a contemptible thing as to quote so much of a man's statement, as to give him the appearance of saying the exact opposite of what he did say. We have no doubt since this oversight has been called to its attention that it will do the governor the justice of correcting the mistake.

LINCOLN INSTITUTE.

Tomorrow night a smoker and luncheon will be given to the business men at the Woman's club, where the Lincoln Institute will be considered. The Lincoln Institute is a big colored industrial school for Kentucky. If \$50,000 is raised in this state an endowment of about a half million will be secured. The school will be operated, we understand, along the lines of the famous Tuskegee school, and it will do much to improve the colored race in the state, imparting character and skill to the

coming generation, making of them capable workers and wealth producers, adding to the industrial strength of the commonwealth many fold, and developing the colored race along lines, which will make them a valued part of the community, and removing the menace of race dissensions by establishing the colored people as a definite factor in the industrial community.

All Kentuckians should be interested in this effort to solve the problem of the south. It is believed the solution of the race question is industrial. White people do not fear the industrious colored man. It is the idle, incompetent colored man that is a menace. Sometimes he is idle, because he does not know how to do any definite thing well, and has no interest in work for the satisfaction of his accomplishment.

Citizens of Paducah should attend this meeting and hear about the school, its plans, purposes and possibilities. That much will not cost anything.

SOME STORIES

AROUND TOWN

A downtown school teacher tells the following story on herself, says the Louisville Times:

The other day, according to this teacher, she was explaining the density of the population of China. "There are so many people in China that at least fifty Chinamen die a minute. In fact every time you breathe a Chinaman dies," she explained.

A few minutes after the lesson the teacher saw Tommy Jones, one of the wayward boys of the class, taking fast and short breaths and puffing like a steam engine.

"What are you doing," exclaimed the instructor as Tommy kept up his antics.

"Killing Chinamen," said Tommy.

Louisville is cleaning up. State buys more land for new capitol approach.

John Cosby, formerly of Graves, marries in Nevada.

Steve Polivick, Bardwell, dies at Louisville hospital.

Mrs. Hallie S. Finney, formerly of Mayfield, dies at Cairo.

Attorney Gus Thomas falls at Mayfield and is seriously hurt.

Twenty-eight hogheads of association tobacco sold at Benton.

Eight militia officers dismissed for failing to meet requirements.

Paducah pays .36 an inch for city printing and Lexington pays \$1.12.

G. W. Warren, Confederate veteran, found dead in bed at Cerulean.

The cause of colds.

Good Advice Regarding the Prevention of Coughs and Colds.

If people would only properly fortify and strengthen their system, about 98 per cent of coughs, colds and pneumonia might be avoided.

These troubles are simply the result of weakness, which produces a catarrhal condition of the mucous membrane, which is as an internal skin of the body. When this skin is weakened, it becomes infected with germs which are carried through the system by the blood.

These parasites attack and break these delicate tissues and set up a soreness which produce what is in reality an external scrofula.

The only thing that will cure coughs and colds and prevent pneumonia is a medication which is absorbed and carried by the blood so that the diseased membrane is disinfected, cleaned, soothed and healed.

We have a remedy which we honestly believe infallible and unsurpassable for the prevention and cure of coughs, colds and all catarrhal conditions. It is the prescription of a famous physician, who has an enviable reputation of 30 years of cures gained through the use of this medicine. We promise to either effect a cure in every case or make no charge for the medicine. We urge everybody in Paducah who has need of such a medicine to try Rexall Muc-Tone.

It stands to reason that we could not afford to make such statements and give our own personal guarantee to this remedy if we were not absolutely positive that we could substantiate our claim in every particular, and we see no reason why anyone should hesitate to accept our offer and try it. We have two sizes of Rexall Muc-Tone. Prices 50c and \$1.00. Sometimes a 50c bottle is sufficient for a cure. As a general thing, the most chronic case is cured with an average of three large bottles. Remember, the medicine will cost you nothing if you are not satisfied in every particular. W. B. McPherson, Paducah.

Important conventions of the week will include the meetings of the International Kindergarten Union in Buffalo, the National Conference of Church clubs of the United States in New York, the National Association of Cotton Manufacturers in Boston, and the National Society of Sons of the American Revolution in Baltimore.

Other events that will figure more or less conspicuously in the news of the week will be the wedding in New York of Miss Nora Langhorn and Paul Phipps, the annual meeting of the directors of the United States Steel Corporation, the Founder's Day celebration of the Carnegie Institute in Pittsburgh, the automobile carnival in New York City, and the celebration of the centenary of the birth of Oliver Wendell Holmes.

Events abroad will include the elec-

tion of the new Finnish Diet, the convention of the International Women's Suffrage Alliance in London, the consecration in Rome of Dr. Faraly, recently chosen to succeed the late Bishop Horstmann at Cleveland, and the May day demonstrations by the workmen in Paris, London and other European centers.

The 120th anniversary of the inauguration of Washington as president will be celebrated at Alexandria, Va., Friday. The exercises will include an address by President Taft. The president will also address the Union League Club of Philadelphia at a dinner Tuesday, the birthday anniversary of President Grant.

The convention of the Episcopal church clubs opens in New York Tuesday.

The congress of the National Federation of Religious Liberals will begin at Philadelphia Tuesday. The central purpose announced is the "extension of sentiment of the tolerance and good will among the churches and races and the creation of fellowship beyond the lines of sect and creed." The Methodist Episcopal bishops of the world will begin their semi-annual session at Wheeling, W. Va., on Wednesday.

The International Kindergarten Union begins its session at Buffalo Monday; the Society of the Sons of the Revolution opens Friday at Baltimore. The Christian Party of Peace conferences are scheduled for Saturday at Rock Island, Ill.

Another tri-district convention of the mine workers will be held at Scranton Tuesday, the same day that the general committee of the anthracite operators meet at New York. A definite agreement, it is hoped, will be reached.

PADUCAH ON THE LIST OF CREDITED HIGH SCHOOLS

The Paducah High school formally is on the co-operative list of secondary schools of the University of Chicago as the certificate has been received, and this morning it was displayed on the walls of the High school auditorium. The certificate is framed and is 18x24 inches. Professor Sugg and Superintendent Carnegie are proud of the certificate, as they have labored many months in order to convince the faculty of the university that the Paducah High school was deserving of having its graduates admitted without examination.

Several dollars damage was done this morning by fire in a room above the J. P. Fowler saloon, Third and Washington streets. Hose company No. 1 and truck company No. 1 answered the alarm. The fire is thought to have originated from a cigar stump.

BURDENS LIFTED.

From Paducah Backs—Relief Proved by Lapso of Time.

Backache is a heavy burden; Nervousness wears one out; Rheumatic pain; urinary ills; All are kidney burdens—Daily effects of kidney weakness. No use to cure the symptoms. Relief is but temporary if the cause remains.

Cure the kidneys and you cure the cause. Relief comes quickly—comes to stay.

Doan's Kidney Pills cure kidney ills; Prove it by your neighbor's case. Here's Paducah testimony.

The story of a permanent cure. Mrs. George Roman, 2233 Meyers street, Paducah, Ky., says: "I was a sufferer from kidney trouble for a long time. I was bothered by an aching back and lameness in my shoulders, in fact, was never without a pain or ache of some sort. I used a great deal of medicine but never found anything that relieved me as much as Doan's Kidney Pills which I procured at the DuBois Son & Co.'s drug store. I now feel well and my condition has improved in every way." (Statement given in 1909.)

A Permanent Cure.

On February 18th, Mrs. Roman said: "I am glad to say that I have not had an attack of kidney trouble since Doan's Kidney Pills cured me. I have every reason to believe that my cure is permanent."

RESIGNATION OF DR. CAVE ACCEPTED

Congregation Realizes That it is For His Good.

First Presbyterian Church Without Pastor After Twenty-Five Years.

TEARS DIMMED MANY EYES

After a faithful ministry of 25 years in the First Presbyterian church of Paducah, the resignation of the Rev. W. E. Cave was accepted yesterday morning by his congregation, in a spirit of resignation to the inevitable more than acquiescence in his request to sever relations with the church. Less than one-fifth the congregation participated in the meeting, the majority remaining away, because they thought it best for him to be relieved of all responsibility for a time, and yet, they could not bring themselves to vote as their reason dictated. As it was, the resignation was accepted by a bare majority of those present, and those who voted aye, made it plain that what they did was in deference to what they conceived to be best for the waning health of their pastor. A large minority, knowing the separation was inevitable, voted not to accept the resignation.

The resignation takes effect May 1.

There were more tears in the eyes of the congregation than words in their mouths at the meeting. Dr. Cave was not present and the services were conducted by the elders.

Owing to Dr. Cave's long pastorate in the city he occupies peculiarly close relationship to the whole protestant community. As time has passed his services have been more and more in demand to officiate at funerals, to give comfort to the dying and to the mourners.

His church is a large one, he has suffered much grief, and had the care of a large family. All this has broken his health; but until the last few weeks his will power has been sufficient to sustain him, although friends have urged on him the necessity of seeking rest, free from all responsibility and away from distressing cares and demands on his services.

All these things were taken into consideration by his congregation in voting to accept his resignation. Had they not deemed it absolutely necessary for the recovery of their pastor's strength they would not have accepted it. Several times before Dr. Cave tendered his resignation, but it was always rejected, as his health was not involved in the issue. Dr. Cave's friends think that a year's absolute rest will fully restore him to his accustomed health.

He probably will leave early in the summer for his old home in Virginia, where he will spend much of his time, recuperating.

AT THE CHURCHES

The Rev. J. B. Jones, of Arlington, had charge of the services yesterday at the Mechanicsburg Methodist church. Both services were fine and largely attended, especially last evening's service. There will be services tonight at 7:30 o'clock and every day this week at 2:30 and 7:30 p. m. by the Rev. J. B. Jones.

Services at the Fountain Avenue Methodist church were conducted yesterday by the pastor, the Rev. G. W. Banks. Both services were well attended.

Regular services were conducted at the German Evangelical church yesterday by the pastor the Rev. William Bourquin. The Mite society will meet Thursday afternoon at 2:30 o'clock with Mrs. George Oehlenschlaeger, 923 South Third street. Next Sunday will be the last services before the Indiana conference of the German church, which meets at Louisville.

ville. Three states are included in the conference, Kentucky, Indiana and Ohio. The Rev. William Bourquin and Mr. George Rock will attend from the Evangelical church.

The Rev. William Grother conducted the regular services at the Lutheran church yesterday. The Sunday evening service beginning next Sunday will be at 7:45 instead of 7:30 o'clock and will continue the same through the summer months. The regular business meeting of the church will be held next Sunday afternoon at 2:30 o'clock. The vestrymen will meet Wednesday evening at the parsonage. The Luther league will meet Thursday afternoon with Mrs. Robert Rudolph, of 1525 North Twelfth street.

A new teachers' training class was organized yesterday afternoon at the Tenth Street Christian church with 12 members. The new class will meet every Sunday afternoon at 1:30 o'clock. The Ladies' Aid society of the Tenth street church is holding its meeting this afternoon with Mrs. Orr, on South Thirteenth street. The old teachers' training class will meet Wednesday evening after prayer meeting. The Rev. C. E. Jackson, pastor of the Tenth Street Christian church, conducted the regular services yesterday.

The regular services were conducted yesterday at the Kentucky Avenue Presbyterian church by the Rev. J. R. Henry, pastor. There was a large congregation present at both the morning and evening service. "Mother's Day" will be observed by the Presbyterian church the second Sunday in May. To observe this day a white carnation is worn in memory of mother. Last year was the first year that this day was celebrated and it proved to be a great success.

Fine services were conducted at the Second Baptist church yesterday by the Rev. J. W. Bruner, pastor. Both services were well attended. A new Sunday school class was organized.

The Rev. J. R. Clark, pastor of the Twelfth Street Christian church, conducted the regular services yesterday.

The revival at the Guthrie Avenue Methodist church was closed last night after a splendid service. The pastor, the Rev. T. J. Owen, baptized seven converts yesterday, while there were five professions and two additions at the service last night. The revival at Little's chapel will continue this week. Both the Rev. Owen and the Rev. E. C. Dees, of Calvert City, will preach.

The Rev. E. H. Cunningham, of Paducah, and the Rev. J. R. Stewart, of Lone Oak, are conducting a revival at Barlow. Interest in the services has been good; and there have been several additions to the church. Recently the Rev. Cunningham closed a meeting in southern Illinois with 135 additions to the membership of the church.

The Rev. N. F. Jones, of Hartford, preached morning and evening yesterday at the First Baptist church in the absence of the Rev. M. E. Dodd, who is conducting a revival at Princeton. The Rev. Mr. Jones is a state evangelist and recently led a revival meeting at the Second Baptist church. He spoke to large congregations at both services.

Two interesting and instructive services were held at the Cumberland Presbyterian church. The Rev. D. W. Fooks preached in the morning and Dr. Callahan at night.

"Don't Worry," was the subject of Dr. Moore's sermon Sunday evening at the First Christian church, a subject in which everybody is more or less interested. He based his remarks on Luke 12:22, "Be not anxious for your life, what ye shall eat; nor get for your body what ye shall put on." The simplest things of life are the essential things. Food, raiment, are matters of concern to us, but should cause no worry. Reasonable energy on our part will insure these. Our greatest worry is caused by worldly ambitions, social affairs, rivalries, jealousies, unjustifiable risks, etc. Riches bring worries, but more of us are seriously troubled in this respect. Harriman and Patten are notable examples of this class.

Jesus shows that all things necessary to human happiness come to men who are in line with the divine purpose.

"Seek ye His kingdom and these things shall be added unto you." The pure in heart have little worry.

The lively rivaled Solomon in all his regal glory. The birds of the air have no concern—free, buoyant, beautiful, they fill their mission without any worry.

"Which of you by taking thought (by worry) can add one cubit to his stature?"

"If then ye are not able to do even that which is least, why are ye anxious concerning the rest?" Much of our anxiety is about things that never come to pass. God made us to be optimistic, cheerful, hopeful. Do that which is reasonable and right and He will take care of the rest. There was one addition to the church.

A delightful song service was held last night at the Broadway Methodist church. A large congregation was present. The choir of the First Presbyterian church and Mr. Garth, of Union City, Tenn., assisted the broad way choir. Mrs. Samuel H. Winstead and Miss Adah Brazelton presided at the organ and played with their customary charm. Several beautiful anthems were rendered by the choir. Effective solos were sung by Miss Mabel Shelton, Mr. Garth, of Union City, and Mr. Robert H. Scott. Mr. Emmet Bagby and Mr. Slavin Mail rendered an impressive duet. The final number was a triumphant chorus, "The Heavens Are Telling," from "The Creation," sung by the full chorus of voices. Those taking part in the music of the evening were: Mrs. J. D. McQuot, Mrs. Clarence Sherrill, Mrs. George B. Hart, Miss Sarah Rogers, Miss Mabel Shelton, Miss Lucile Blackard, Messrs. Bagby, Mail, John U. Robinson, Scott and Garth, of Union City.

The Rev. G. T. Sullivan preached a strong sermon at the morning hour on "The Judgment." The offertory was sung by Mrs. S. T. Hubbard and Mr. Garth, of Union City. It was "The Sweet Will of God." At the close of the sermon Mr. Garth sang most impressively "Shepherd Kind and True." He has a voice of splendid range and clearness and gave much pleasure at both services Sunday. Mr. Garth is a nephew of Mrs. V. O. Sweatman, of Paducah, and his family formerly resided here.

At the Cumberland Presbyterian church the morning sermon was on "The Wondrous Cross," by the pastor, the Rev. D. W. Fooks. There was a large congregation.

The evening sermon was "Throwing Stones," by the Rev. F. H. Callahan.

The Christian Endeavor society met at 6:30 p. m. It was led by the Rev. D. W. Fooks. One new member joined. The leader for next Sunday night is Miss Julia Frink.

The services at the Fountain Avenue church were full of interest yesterday. The music was a special feature both morning and evening.

The Rev. R. P. Howell, presiding elder of the Los Angeles district, Los Angeles conference, will spend next Sunday with the Rev. G. W. Banks and wife, and will preach at the Fountain Avenue church both morning and evening. Mr. Howell is a personal friend of Mr. and Mrs. Banks and his visit will be greatly enjoyed.

Pure Blood Means Strength

NYL'S Hot Springs Blood Remedy

Hot Springs is a noted place for the cure of blood diseases. However, it costs money and lots of it, to spend the necessary three to twelve months there. That's why we recommend Nyl's Hot Springs Blood Remedy. It's an efficient and reliable remedy, composed of standard ingredients of known curative value. Liberal quantity for \$1.00.

IN SOCIAL CIRCLES

Surprise Marriage Announced.
The marriage of Miss Elizabeth Weikert and Mr. Edward Marion was announced this morning by the couple on the return from Cairo, where they were married quietly yesterday. The couple left yesterday for Cairo to spend the day, and eluded their friends until this morning when they returned and announced their marriage.

The bride is the pretty daughter of Mr. and Mrs. Adam Weikert, 312 North Twelfth street, and is a young woman with many friends. She is of the brunette type of beauty. Mr. Marion came to Paducah from Cincinnati and since his residence in Paducah has gained many friends. He is a tailor and an energetic young business man.

Dr. and Mrs. Edwin Mims and Family to Spend Year Abroad.

Prof. Edwin Mims, Ph. D., of Trinity college, Durham, N. C., has resigned from Trinity and has accepted the Chair of English at the University of North Carolina, at Chapel Hill, N. C. The position is a fine one and entails the permission for a year's study abroad, and Dr. Mims will sail the last of August for a year's stay in the leading university towns of Europe. Mrs. Mims and children will accompany him. Dr. Mims is one of the leading younger educators in the south and has had several signal honors paid him. He declined a call to Princeton university several years ago, because he wished to remain in the south.

Mrs. Mims, who was formerly Miss Clara Puryear, of Paducah, will arrive here in June for a visit to her mother, Mrs. T. H. Puryear, and sister, Mrs. S. T. Hubbard, 922 Jefferson street, before going abroad. Dr. Mims will teach at the summer school of the University of Virginia for six weeks, will join her here later. Mr. Leslie Puryear, who is a student at Trinity college, will accompany his sister home in June.

Miss Fan Harris Weds Dr. Cooper, of Memphis.

News has reached the city of the marriage of Miss Fan Harris, of Dyersburg, Tenn., and Dr. Arthur Cooper, of Memphis, Wednesday evening. The ceremony was performed at the Methodist church of Dyersburg, by the Rev. C. A. Waterfield. It was an elaborate affair.

The bride is a cousin of Misses Mary and Evelyn Walker, of Dyersburg, and frequently visited the Misses Walker, while they made their home in this city. She is an attractive young woman and is pleasantly remembered here by many.

Dr. Lee and Family Go to Macon.

Saturday's Jackson (Tenn.) Sun says:

"Quite a number of friends gathered at the Union depot Friday evening to bid farewell to the Rev. Charles H. Lee, who for several years has been pastor of St. Luke's Episcopal church, and to wish him God-speed on his journey and happiness and prosperity in his new home. Rev. Lee went to Macon, Ga., where he has been called to the pastorate of a flourishing church. Mrs. Lee and children did not accompany Mr. Lee, but will follow him in the near future."

Dr. Lee is pleasantly known here, where he has visited his friend and college mate, the Rev. David C. Wright.

Mrs. Lee, who is a daughter of the popular Virginia novelist, John Estlin Cook, will visit Mrs. Wright before going to Macon.

Kentucky Beauty Honored.

The Louisville Times says: "Miss Kathleen Mulligan, who has just been appointed by Gen. George Gordon as maid of honor for the entire Southern division of the Confederate Veteran Reunion, to be held in Memphis in June, is a daughter of Judge James H. and Mrs. Mulligan, of Lexington. She is a great-granddaughter of Col. Willoughby Williams and Col. Samuel Morgan, both of which names are closely identified with the early history of Tennessee. Miss Mulligan is a young girl who has not yet made her formal debut in society, but she is already noted as one of the most beautiful girls in Kentucky, and she is a great favorite with the many friends of Judge and Mrs. Mulligan from a distance who visit the family at 'Maxwell Palace,' as she is with the people of Lexington and Central Kentucky. This is the second honor of the kind that has come to the family, as several years ago Miss Marion Mulligan, her sister, was maid of honor for the Kentucky division of the Confederate veterans at the reunion in Richmond, Va."

Birthday Dinner.

Mrs. Katherine Snyder, of the Mayfield road, was the guest of honor yesterday at a surprise birthday dinner that was given in honor of her eightieth birthday. Her children and relatives quietly met at a neighbor's house and went to Mrs. Snyder's home, where she was surprised with

CUT DOWN FOOD COST.

The one great problem of good house-keeping is how best to exercise food economy and still keep the enjoyment of meals at "top notch."

Faust Brand Spaghetti is the ready solution—for here is a food that not only helps the housewife to more than make both ends meet, but that actually adds to the joy of mealtime because of the zest it lends to every meal of which it forms part.

Another advantage is that it is so nourishing—for even if the housewife has to entirely remove meat from the bill-of-fare the health and strength of the family in no way suffers if Faust Spaghetti is used—rather, the family health will improve because Faust Spaghetti nourishes without overtaxing the digestion.

There is no end to the ways of preparing new and appetizing dishes with Faust Brand Spaghetti. Free book of recipes sent on request. In sealed packages. Five and ten cents. All grocers.

SHOT HER FINGER

WHEN SHE TRIED TO SHOOT HER HUSBAND.

When Bertie Roberts, colored, tried to kill her husband, Silvester Roberts, colored, yesterday morning, instead of hitting her mark, she shot off the tip of her own right thumb.

The woman had a Colt's revolver of .45 calibre, and it proved too big for her to handle. She was so frightened at the sight of the blood that her husband prevented her from firing a second shot. Police Judge Cross held the woman over to the grand jury. Roberts has filed suit for divorce from his wife, and this angered her. Patrolman Rice, and Hugh Miller, of the Illinois Central force arrested the woman.

The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgement.

This "Discovery" is a pure, glyceric extract of American medical roots, absolutely free from alcohol and all injurious, habit-forming drugs. All its ingredients are printed on its wrapper. It has no relationship with secret nostrums. Its every ingredient is endorsed by the leaders in all the schools of medicine. Don't accept a secret nostrum as a substitute for this time-proven remedy of known composition. Ask your neighbors. They must know of many cures made by it during past 40 years, right in your own neighborhood. World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

TOBACCO NEWS

Louisville Tobacco.

Louisville, April 26.—The total offerings on the local tobacco breaks the last week consisted of 1,480 hogsheds, of which number 123 hogsheds were new burley, 328 old burley, 900 new dark and 129 old dark. Of the private sales reported 314 hogsheds were burley sampled for the Equity society, and 107 old dark and 454 new dark sampled for future sale.

The small offerings of new burley were of fair quality, the condition being poor, and a very small quantity of color or bright tobacco offered. The market for common red smokers and low-grade fillers was easier. Common and medium red leaf were irregular, while good leaf was lower. Color smokers, strip-pers and natural leaf fillers were on the decline as prices for these grades were noticeably easier. There were only 18 hogsheds of old burley offered at auction; they were common and medium grades of red fillers. Prices were unchanged from last week.

The offerings of new dark at auction amounted to 445 hogsheds, of which a large percentage was air-cured tobacco. The quality of the air-cured leaf was fair, but condition was the most objectionable feature. Prices for extra long rehandling leaf were firm, manufacturing leaf was

irregular, short and common leaf were lower; lugs were easier. The offerings of fired or export styles were mostly common leaf. The condition was somewhat improved. Leaf in good order was in fair demand; soft or out of condition leaf was lower. Soft trash and common lugs were lower, while the better grades of lugs in good order met with a ready sale of firm prices. The offerings of old dark were common, hard sweated lugs; prices were from 1/4 to 1/2c lower.

It's a Top Notch Doer.

Great deeds compel regard. The world crowns its doers. That's why the American people have crowned Dr. King's New Discovery the King of Throat and Lung remedies. Every atom is a health force. It kills germs, and colds and la grippe vanish. It heals cough-racked membranes and coughing stops. Sore, inflamed bronchial tubes and lungs are cured and hemorrhages cease. Dr. Geo. More, Black Jack, N. C., writes "It cured me of lung trouble, pronounced hopeless by all doctors." 50c, \$1.00. Trial bottle free. Guaranteed by all druggists.

BUSINESS HAS BRIGHT OUTLOOK

Henry Clews Writes of the Week Just Ended.

Money Market Factor in Situation as It Has Been for Months Past.

HOW STOCK MARKET FARES

New York, April 26. (Special.)—Such changes as occurred the past week were generally towards improvement. Prices at times have shown some irregularity owing to realizations, but no genuine weakness. On the contrary, the undertone of the stock market continues strong, and the consensus of opinion is that the market has not yet reached its topmost level. The two most noticeable factors are the improving tendency in general business, and the fact that the general business situation of food, except such as money. Our great industrial and financial leaders are satisfied that the corner has been turned and are adjusting themselves accordingly. It is true that much business depression still exists. The process of readjustment is incomplete, and much time will be required before our various industries get back to normal conditions. This is simply history repeated; and after a series of years of extravagance and advancing prices it is but reasonable to expect a period of greater economy and shrinkage in commodity values. This, however, would not act as an impediment, but rather as a stimulant to renewed activity. We have already seen that readjustment in the cotton industry and in the steel industry has imparted fresh life into these two most important lines of business, a much larger volume of orders is now being received for iron and steel goods, and while the profit is probably small, it is evident that the steel industry has touched bottom.

Business.

The business situation has been somewhat adversely affected by tariff agitation for the past three months, orders for nearly all classes of merchandise having been placed upon a hand-to-mouth basis. Neither jobbers nor retailers cared to stock up beyond immediate requirements when the conditions of buying were so unsettled. As a result stocks of goods at both first and second hands have in many cases become much depleted. Meanwhile consumption has been going on at much about the ordinary rate. Clothing and shoes are being worn as usual, and there has been no slackening in the consumption of food, except such as may have been enforced by high prices. This situation means that as soon as uncertainty is removed considerable activity must develop for the purpose of replenishing exhausted supplies. While, therefore, the tariff has lost much of its effect as a disturber of business, no real resumption of activity can be expected.

Nervous Collapse

"I have traveled for thirty years continually. I lost a great deal of sleep, which together with constant worry left me in such a nervous state that finally, after having two collapses of nervous prostration, I was obliged to give up traveling altogether. I doctored continually but with no relief. Dr. Miles' Nervine came to my rescue—I cannot describe the suffering which this Nervine saved me. Whenever I am particularly nervous a few doses relieve me."

A. G. C. LIBBY, Wells, Me.
There are many nervous wrecks. There is nervous prostration of the stomach, of the bowels, and other organs. The brain, the kidneys, the liver, the nerve centers are all exhausted. There is but one thing to do—build up the nervous system by the use of Dr. Miles' Restorative Nervine. Its strengthening influence upon the nervous system restores normal action to the organs, and when they all work in harmony, health is assured. Get a bottle from your druggist. Take it all according to directions, and if it does not benefit he will return your money.

Ely's Cream Balm has been tried and not found wanting in thousands of homes all over the country. It has won a place in the family medicine chest among the reliable household remedies, where it is kept at hand for use in treating cold in the head just as soon as some member of the household begins the preliminary sneezing or snuffling. It gives immediate relief and a day or two's treatment will put a stop to a cold which might, if not checked, become chronic and run into a bad case of catarrh.

until the outcome of that question is foreseen. Nobody now anticipates any important changes from existing schedules, which is perhaps politically unfortunate, as the tariff question may loom up again in disturbing form at some future date. This, however, is a distant problem and has nothing to do with the immediate future. If, as it is hoped, the tariff be settled before June 1, we may expect a future improvement in general trade; and should the next harvest prove anything like satisfactory the coming fall should witness a very decided resumption of business activity. Another important element in the business situation is the outlook for prolonged ease in money. This is quite as important to the merchant and manufacturer as to the speculator. It enables him to obtain the credit which he needs on good terms and to make plans extending into the future. In fact, continued easy money is one of the best and most natural tonics known for business recuperation.

Money.

The monetary situation continues to dominate the financial outlook. We are no doubt in for a period of very cheap money until the autumn crop demands assert themselves. This situation is world-wide. It is, of course, primarily due to the general inertia of trade, and in that sense is not entirely satisfactory. It is, however, as just stated, the best and most natural restorative known. Of course, this universal ease in money is considerably intensified by the abundant production of gold. Bank reserves at home and abroad are constantly rising. The New York banks are carrying about \$85,000,000 more of cash in their reserves than a year ago; and in addition our trust companies have materially added to their reserves in compliance with the new law. The great banks of Europe hold fully \$300,000,000 more gold than at this time in 1908, the largest proportion of this increase going to the banks of France and Russia. It is worthy of note also that the Bank of England increased its reserves fully \$50,000,000 during the first three months of the current year. The effects of such conditions must, of course, be highly stimulating to speculation; they mean inflation, and this accounts more than anything else for the present high level of the stock market. Our great bankers are sure to take advantage of this situation to carry out necessary flotation and re-funding plans. Important negotiations of this character have been under way for some time past, and the absence abroad of some of our leading bankers is significant in this connection. It will cause no surprise whatever if Europe should take some very considerable sums of better class American investments during the next few months. If this expectation is not realized, it will probably necessitate sending further large sums of gold to Europe to pay for our continued large importations. Our exports of domestic products continue below the normal because of prevailing high prices. The recent break in wheat was beneficial in this respect, but that staple is still held above a profitable export price. Now that costs of manufacturing are being reduced we ought to witness a larger foreign demand for our manufactured products, which to some extent should compensate for lessened shipments of farm products. In times of depression we absolutely need an export outlet for our surplus manufactures, and recent reaction will have had some compensating advantage if it promotes our foreign trade on these lines. The railroad situation is steadily improving and earnings show gratifying gains. In the fourth week of March thirty-eight roads showed an increase of nearly 13 per cent in gross earnings, a most satisfactory indication of the improvement in transportation. For the month of March forty-eight roads showed a gain of 11 per cent. These comparisons are, of course, made with a period of depression a year ago. Nevertheless, railroad traffic is rapidly coming back to normal, and owing to enforced economy net results are already improving. The repurchase of Norfolk & Western securities by Pennsylvania is significant since it indicates a less antagonistic attitude of the administration and the public also towards the railroads.

There is nothing in the stock market situation to warrant any apprehension. The Turkish situation has caused some temporary unsettlement of the European markets, but at present it does not appear that these disturbances will provoke any international complications, although of course in the present delicate state of affairs there is always such a possibility to be kept in view. The prevailing feeling in financial circles is one of hopefulness, and the technical situation of the market has not yet been weakened by excessive speculation. In all probability there will be frequent fluctuations, more activity in trading and occasional reactions, with the general drift of prices towards a higher level.

"Time's Flight Turned Backward" SAGE AND SULPHUR Made Her look Twenty Years Younger

READ MRS. HERRICK'S SWORN STATEMENT

STATE OF NEW YORK } ss. Rochester, N. Y.
County of Monroe }
Nancy A. Herrick, being duly sworn, deposes and says: When I was a school girl I had a head of heavy, long, dark brown hair, that was so plentiful, rich and glossy, that it was the envy of many of my young schoolmates, and attracted the attention and remarks of strangers. After I was married and as I grew older, my hair commenced to come out just a little at first, but gradually as time passed it came out more and more, and began to turn gray. I was induced by many good reports heard of Sage and Sulphur, to try a bottle. My hair was quite gray and thin on top when I commenced using Sage and Sulphur, and you may imagine my satisfaction when I found that it was fast coming back to its natural condition, becoming thicker, darker, smoother and glossier than it had been for a long time. I continued the use of Sage and Sulphur and my hair is now in a splendid condition, as heavy and as dark and smooth as when I was a girl of sixteen. From my experience I believe it is one's own fault if they lose their hair, or let it get gray or harsh. It is now four years since I commenced using Sage and Sulphur, and still use it, and my hair still keeps thick, dark, smooth and glossy.

Sworn to before me this 14th day of July, 1902.

Cumberland River Fight

Rivalry between the Ryman line and the Tynes line for the business on the Cumberland river between Paducah and Nashville has been reduced in half.
The Ryman line has filed suit in Memphis against the Planters' and Merchants' Packet company for \$2,500 damages for the alleged breach of contract. Several months ago the Ryman line sold the steamer H. W. Buttrick to the company at Memphis and in the contract it was stated that the packet was not to be operated on the Cumberland river, but that the boat was to ply the Mississippi and lower tributaries.
The Buttrick was operated in the Mississippi river for several months, but about a month ago the Buttrick was leased to J. S. and J. A. Tynes, who have operated the packet in the forbidden waters in competition with the Ryman line, the former owners of the packet. The rivalry for business between the two packets has been whittled to a point where both freight and passenger rates from Paducah to Nashville have been reduced in half.

Two Tennessee attorneys who were here in court, were amazed at the amount of business done in three days.

Both rider and driver can engage a horse or rig here any time. It will be just as well as a privately owned one, too. Our horses are good in speed and action. Our carriages and harness are kept in the best of condition. Notify us what you require and you'll be pleased with both the rig and the cost of its use.

DOCTOR ADVISED OPERATION

 Cured by Lydia E. Pinkham's
 Vegetable Compound

 Paw Paw, Mich.--"I suffered terri-
 bly from female ills, including in-
 flammation and conges-
 tion, for several
 years. My doctor
 said there was no
 hope for me but an
 operation. I began
 taking Lydia E.
 Pinkham's Vegeta-
 ble Compound, and
 I can now say I am
 a well woman."
 EMMA DRAPER.

Another Operation Avoided.

Chicago, Ill.--"I want women to know what that wonderful medicine, Lydia E. Pinkham's Vegetable Compound, has done for me. Two of the best doctors in Chicago said I would die if I did not have an operation, and I never thought of seeing a well day again. I had a small tumor and female troubles so that I suffered day and night. A friend recommended Lydia E. Pinkham's Vegetable Compound, and it made me a well woman."--Mrs. ALVENA SPEKLENG, 11 Langdon St., Chicago, Ill.

Lydia E. Pinkham's Vegetable Com-pound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female ills, including displacements, inflammation, fibroid tumors, irregu-larities, periodic pains, backache, bear-ing-down feeling, flatulency, indiges-tion, and nervous prostration. It costs but a trifle to try it, and the result has been worth millions to many suffering women.

Bardwell, Ky., and Dr. G. H. Covington, Wadesboro, Ky.

2. Dr. W. D. Haggard, Nashville, Tenn., "What Surgery of the Stomach Has Done for Certain Cases of Invertebrate Dyspepsia."

Discussion--Dr. P. H. Stewart, Pa-ducah, Ky.; Dr. B. P. Earle, Daw-son, Ky., and Dr. J. W. Mesheew, Bar-tow, Ky.
